Weekly News

Mrs. Abramo & Mrs. Levesque

What we've been working on in the room...

Writing

- Students are continuing their research to find the answers to their questions about a topic.
- They will then begin their introduction to their research writing to hook the reader. Then they will write three paragraphs with topic sentences. Last they will write a closing.

Literacy

- The students will be comparing and contracting two non-fiction texts on the same topic.
- We are on unit 15 for spelling this week.

Math

- We will be learning how to tell time to the 5 minute interval.
- They will know the difference between am/pm
- They will tell time using half past, quarter till and quarter after.
- Wednesday is their test on time
- Thursday we will start our new unit on money.

Social Studies

- Students are preparing for their American Hero Museum by creating their posters and memorizing their speeches. Please come if you can on December 20th at 3:00.

Science

- Students are creating the instruments that they researched.
